

Management & Leadership
Young & New Professionals

Is work taking over your life? Do you have just a job not a career? Would you like to find a balance between your life and your work? If the answer is yes to these questions it is time to develop a plan to balance your work life with your personal life and become more productive at both. This workshop will help you identify your vision, discover things that motivate and inspire you, help you define your goals and develop the strategies to become successful at work and fulfilled with your life.

Strategic Planning for New Professionals

Creating an Enjoyable & Worthwhile Career

WHAT'S THE WORKSHOP ABOUT?

Strategic Planning for New Professionals is designed so that you get the intended results of the program plus the communication and leadership skills to communicate and express your career goals and plans with your supervisors and peers. You will be coached through the processes of setting worthwhile and achievable career goals, developing a powerful strategic career plan, and on how to communicate your goals and values to your superiors and mentors.

WHAT WILL BE MY RESULTS?

- Create a career that you enjoy
- Achieve more personal and professional goals
- Accomplish more in less time
- Be interested in work
- Demonstrate excellence
- Gain recognition
- Get on the fast track to advancement

WHAT WILL I LEARN?

At the end of the facilitation retreat, you and your group will have resources, understanding, and tools to:

- Set worthwhile, and achievable career goals and visions
- Plan a career based on your strengths, interests, and values
- Prioritize and organize important items
- Communicate persuasively with managers and coworkers
- Ask for and get interesting work and projects
- Find a mentor to accelerate your growth and advancement
- Understand how to mentor others
- Demonstrate supervisory ability

IS THIS WORKSHOP CUSTOMIZABLE?

Optimal 14 hours (2 days). Customizable 2 - 14 hours.

Ovson Communications customizes all workshops to address the specific needs, time constraints, difficult issues, communication challenges, and personnel attending of the organization. Before any workshop, Ovson Communications assesses the current environment, key personnel, and pertinent issues. From this assessment, Ovson Communications tailors a workshop specifically suited to the organization.
